NEWS FROM THE PRESIDENT

With three months left in the present administrations' term, the big idea floating around is how to obtain a T.V. with a VHS and CD player. This item could come in very handy at the meetings.

Many of the dive resorts and travel agencies provide videos to interested groups promoting their resort and or a dive trip. Educational subjects like fish identification, safety tips etc. are also available. We envision using the T.V. for programs at least once a month is not more. If anyone has an idea on this subject, please let us know.

Don't forget the photo contest in September and the diving contest that is running right now. All good reasons to go diving now.

Hope to see you at a meeting and down below.

Randy

Dive Chairman Report

Dive Chairman Report

Special appreciation goes to Lori Zoecklein and Donna Little this month. We really had a great weekend with lots of diving. First we did the TGIF in West Palm Beach on (of course) Friday the 13th. Then we had Donna's annual Deerfield Beach weekend on the 14th and 15th. You'll read elsewhere about all the fun we had, but alas nobody earned the Bobo award. It was a close call, though.

Sam Juleff and Heidi Camarillo are leading the CFPD bottom time dive contest so far, but I think that will change once Joan Heinman and Elke Beyer return with the Cayman Brac group. (You are coming back, right?)

By the time you read this, we will probably have already done the Canaveral Shore Turtle Watch program. Regardless of what you may have heard Tom Wassell claim; it is not a clothing optional trip.

We have some opportunities in the next few months for more dives so please send in your requests. You don't have to lead the trip, just let me know what you want.

Barbara Bourque is taking us back to Cozumel in September after a long absence. (I heard the heat has cooled off and hardly anybody will remember us from our last trip). The photo contest is also coming in September, followed by a weekend trip to **BOYNTON BEACH** (the best diving in Florida).

One comment that I've heard recently is that people need advance notice to plan and budget for out of country trips. I am pleased to announce the soft opening for a Nekton Pilot one-week liveaboard trip to the Northwest Bahamas for June 10-17 in 2006. This trip will fill up so reserve your spot soon. (With a soft opening, deposits are refundable up to a certain point). See the details in the Scoop.

What does a fish have that no other animal on earth has?

A baby fish.

See ya on the boat.

Boynton Beach Invasion

The adventure starts Saturday September 24 at noon. Once again, CFPD will invade Boynton Beach in search of the dangerous, exciting and tasty spiny lobster or maybe some sunken treasure.

Join us at Starfish Enterprise for an exciting excursion along the reefs of Boynton Beach.

Begin by boarding at the Tiki Bar behind the Old Key Lime House on Ocean Avenue. After we clear the inlet we'll head out to the open seas, where the real adventure will begin. With reefs averaging 60 feet in depth, Boynton Beach offers some of the best diving in Florida. I'm hearing that the lobsters are back after a long drought.

Starfish Enterprise is a 34' boat that seats 16 with an open deck and Christmas tree ladders.

Cost will be \$154.00 per diver plus tanks for two days of two tank dives plus one night's motel stay. Final payments are due August 25. Air tanks rent for \$5.00 and nitrox for \$10.00.

Expected water temps will be in the 80's.

Directions: Take I-95 south to West Lantana Road; go east until you hit US-1. Turn right on US-1 and take an immediate left on Ocean Avenue. Old Key Lime House will be on your left.
