NEWS FROM THE PRESIDENT

By the looks of the CFPD Dive & Event Calendar, the diving season has arrived and the trips are filling up fast.

Don & Lori's TGIF May 13 will fill up. They had 11 out of 12 spots filled at the last meeting.

The following Saturday & Sunday, Donna & Sam's Deerfield trip is full or just one or two short.

Joan and Elke's Cayman trip in June is a go. Call her, she might be able to squeeze one or two more on.

Barbara & Bruce's trip to Cozumel in September has eight confirmed divers with room for more.

These are just some of the trips that are in the works for the membership. Check the Scoop for all the upcoming trips.

In addition, we have a pool party planned at Barbara and Hector Bourques' for June 25, more details coming.

I don't know about you, but I am going to get as much diving and partying in before hurricane season starts!

Don't forget, there is a diving contest going on; he or she who dives the most, wins the most.

And we are researching setting up a process allowing members to charge dive trips to their credit card.

If you haven't dove with us lately, your running out of excuses.

Hope to see you at the next meeting and down below.

Randy

Dive Chairman Report

Dive Chairman Report

And the contest has begun. On April 22 and 23 seven divers logged time in the CFPD bottom time contest. George McGuire, Sam Juleff, Heidi Camarillo, Don Russ, Louie Riglioni, Tammy Riglioni and Eric Davies logged a total of 184 minutes of CFPD dive time. I heard that nobody won the Bobo award, but it was a close call.

Our next dives include Lori Zoecklein's TGIF on May 13th and Donna Little's Deerfield Beach trip on May 14th and 15th. We'll keep track of your CFPD dive time and at the end of the season (September), the person with the most time will win a free day of diving courtesy of Central Florida Pleasure Divers.

After that, Joan Heinman and Elke Beyer lead the way to Cayman Brac. I wish I was going, but I'm sure they will still have a great time without me.

Ed Langston still has a whitewater rafting trip in the works for July. We have openings for a lobster trip and a West Palm trip in August so let me know if you are interested in a trip. Janet Fisher is working hard to bring the Steinhatchee scalloping trip back to CFPD.

Party! Party! Party! Dive! Dive! Dive! Barbara Bourque and Bruce Janssen will be leading a wild group on a wild time in Cozumel.

Following the Cozumel trip, CFPD will have a photo contest. See this issue of the Scoop for details.

Last but not least, I will lead a trip to invade Boynton Beach in late September.

I would like to take this space to shout out a real thank you to George McGuire. George has led two of our most successful trips this year and I really appreciate the effort George puts into making the trips fun and successful. *THANX GEORGE!!!!*

What is green and yellow and blue and red and orange and brown and gray?

A box of crayons.

See ya on the boat.

APRIL IN THE KEYS

Tavernier dive trip, 4/22-24/05

Seven of your fellow dive club members enjoyed a weekend of diving the reefs and wrecks off Tavernier, Scuba magazine's number 1 rated dive destination in North America. The days were clear with bright sunshine and temperatures in the 80's and the seas were calm. Below the surface the visibility was generally good with temperatures mostly between 75 and 77.

The diving began Friday afternoon for Heidi Camarillo, Eric Davies, Don Russ and George McGuire on Spanky's reef and Shark Ledge. Both were relatively shallow (approximately 25 feet) reef dives. There were a lot of creatures to see, including spotted morays, but no sharks despite the ledge's name. The only shark we saw during the weekend was in the channel on the way out from Tavernier.

Saturday morning the full group, Heidi, Eric, Don and George plus "Sam" Juleff and Tammy and Lou Riglioni dove on the Duane and Pickle Reef. The Duane, former Coast Guard cutter was put down almost 20 years ago and is covered in orange cup coral, as well as other growth. It is one of the prettiest wrecks around and conditions were good for sightseeing (light current and good visibility).

Saturday afternoon Heidi, Eric, Don, George and Sam dove on the Spiegel Grove. At 510 feet in length it is awesomely huge. With only a light current we were able to swim the full length of the ship and inspect its propellers and cargo ramp. Afterwards we dove on French reef where we amused ourselves by going in and out of the swim-throughs in the reef.

Saturday evening the same five people from our afternoon trip did a night dive on Spank's reef. Several big lobsters were wandering about, too bad they're not in season, and a large one armed feisty crab that was ready to fight all comers.

Sunday morning the entire group finished up the weekend with a drift dive along Conch wall and a leisurely cruise around Horseshoe reef.
