# NEWS FROM THE PRESIDENT

Central Florida Pleasure Divers is an organization that is both rich in history and resources. Some of our recent members may be saying what is this guy talking about; this is just a dive club. In the course of our two decade plus existence there have been a considerable number of members that have passed thru the club while in the area. Some of those individuals have left the area and others are no longer diving for an assortment of reasons. Regardless, diving is a social sport and the basis of our organization. The real dynamics of CFPD is the membership and the wide variety of backgrounds that come together as participants in the experience of diving.

I would encourage each of our members to think about some of the past trips, socials, etc... the stories that can be repeated and those that can't due to, well.....

Where I am going with this article is to encourage the sense of community and camaraderie within CFPD. The easiest way for new members to feel like they are a part of the group is to participate. This doesn't just apply to new members alone, there are long time members that have lost contact due to a variety of demands on their time.

Now is the time get involved and rediscover some of the friendships that time has played havoc with. After all, aren't we kids at heart?

See you at the meetings.

Tom

# Dive Chairman Report

## Dive Chairman Report

I'm looking for to an exciting year as the new dive chairman. We are going to plan many exciting trips in the upcoming months. You will all have a chance to be a part of this exciting process. Next meeting, October 27<sup>th</sup> will be when we map out next year's dive schedule. I might even borrow some of Darryl's entertaining jokes from last year.

I would like to personally thank Darryl Ricket and Sam Juleff for putting together a fantastic trip to Boynton Beach. We all had a great time chasing and spotting lobsters. A great deal of the credit for my success goes to my dive buddies (Mike Cruse, Sam Juleff and Darryl Ricket) for spotting my prey. I enjoyed lobster dinner for almost a week thanks to them.

We haven't had a manatee petting trip in quite a while. Would anyone like to go to Homosassa snorkeling with our gentle friends? I got some sensational pictures of these majestic creatures that last time I was there.

Should we expand our trips to include other activities besides Scuba? We've done some biking, snorkeling and dinners. Please let me know if you think we should be doing more of these things.

This year my goal is to have some competition for the down time contest. I'm hoping to see more divers on the trips and to make the trips even more fun!

# CFPD Photo Contest

## September 22, 2005

Thursday, September 22<sup>nd</sup>, CFPD held our annual (?) photo contest. And what a contest it was. Twelve members submitted a total of fifty-five (55) photos. Judged by all the members present at the meeting, all photos got some votes and some contests were very close. The winning photos will be used to create a club calendar available for sale to our members and the general public.

Sue Whittaker, Heidi Camarillo, Tammy Riglioni, Nolan Hess, Deborah Scott, Art Beaulieu, and Bea Booskos were first time entrants in the contest. The photos were so good, I'm sure it won't be the last time they join in on the fun.

And the winners are:

Category	Place	Winner	Prize
First Time Entrant	1 <sup>st</sup>	Nolan Hess	Dive Light
	2 <sup>nd</sup>	Heidi Camarillo	T Shirt
	3 <sup>rd</sup>	Deborah Scott	Compass
CFPD Trip	1 <sup>st</sup>	Deborah Scott	Goody Bag
	2 <sup>nd</sup>	Deborah Scott	Mesh Bag
	3 <sup>rd</sup>	Don Zoecklein	Fish ID chart
Macro/Wide Angle	1 <sup>st</sup>	George McGuire	Aluminum Tank
	2 <sup>nd</sup>	John McNally	T Shirt
	3 <sup>rd</sup>	Nolan Hess	Compass
Any Lens/Setting UW	1 <sup>st</sup>	George McGuire	Mystery Envelope
	2 <sup>nd</sup>	Donna Little	Mesh Bag
	3 <sup>rd</sup>	George McGuire	Fish ID card game

And by the way, the mystery envelope contained two passes to any Disney park except Hong Kong. So if you hear about George McGuire going to Japan, or France, or California, you'll know it's not just the scenery he's going to see.

Thanks to all entrants for your support and hard work.

Entrants:

Sue Whittaker	Heidi Camarillo	Tammy Riglioni	John McNally
Nolan Hess	Deborah Scott	Art Beaulieu	Donna Little
Bea Booskos	George McGuire	Don Zoecklein	Jill Dexter

# Boynton Beach Redux

Once again, CFPD challenged the seas at Boynton Beach. If you ask some people (Deborah and Joe), the seas won. But we won't go into that here. Seven intrepid adventurers and one bubble watcher braved the weather (it was very hot) and the high seas in search of the highly coveted but very very elusive lobster. And we got skunked by a gurl!!!

Deborah Scott proved that she earned the bottom time contest by coming up with four lobsters. Deborah was the only diver from CFPD to claim any lobsters. Unfortunately, (for Deborah) there was a price to be paid. But we won't go into that here.

Don Morrison, Art and Pati Beaulieu, Mike Cruse, and Joe Schell, joined Deborah, Sam Juleff and Darryl Ricket for a weekend trip to beautiful Boynton Beach aboard the Starfish Enterprise. We expected 2-3 foot seas and we got 2-4 foot seas. The water temps were in the low to mid 80's and the visibility was in the teens except for the last dive. Even with low vis and 4 foot waves, the group had a lot of fun (except for those of us who failed to pay proper tribute to the Seasickness Gods). But we won't go into that here.
