NEWS FROM THE PRESIDENT

The next couple of months should be fun and interesting for CFPD members.

First, elections are coming up and you should be thinking about what if anything you want to do with the board or chairpersons positions to help the club and yourself to grow and make CFPD an even better club. A nominating committee was formed and they will be looking for members who want to run for office and or show interest in other appointed positions.

Second, CFPD will be trying out one or two new meeting places in July. The first meeting in July will be at Buttermilk's Country Restaurant in Casselberry on 17-92. The board held our last meeting there and was impressed with the setup and food. Many emails will follow reminding you about the new location and directions to the restaurant.

We are also looking at Gleason's Restaurant as a possible site. Stay tuned for more specifics on meeting location for CFPD IN July.

And of course, dive season is here and we hope to have an active season with well planned and fun trips for the membership. Let us know what your interest are and we will do are best to run the dive trips you want. Check the dive and event calendar frequently for future trips.

DIVE CHAIRMAN REPORT

Regretfully, due to personal reasons Darryl has resigned from his positions as VP and Dive Chairman. I am going to fill the position of Dive Chairman for the remainder of the current board's term.

The Dive Committee has met this weekend to ensure that there will be new trips on the calendar soon. But we need your help!! If you want to run a trip or assist on one let the board know so we can get at it right away. We want to take advantage of the great summer months in the warm waters off the coast in our backyard. Are we lucky to live in Florida or what!?

A group of 12 CFPD-ers are going to board the Nekton this Saturday to dive the three islands of the Caymans. We are looking forward to the eat-sleep-and dive-itinerary and YES, of course you will hear all about it when we get back ... :)

In August George is going to take a group down to the Keys. Be sure to check out his flyer on page 9.

Of course we will keep you up to speed on the new trips as we add them to the calendar. Please bear with me as it will be tough to follow into Darryl's footsteps!!

Elke
