Welcome to November, CFPDivers!

VP Lani led the first Green Team eco-expedition to the wilds of downtown Orlando on Saturday, Oct 25th. A vast array of urban nasties were gathered from the banks of Lake Concord. **GO TEAM!**

CHRISTMAS PARTY 2008 is being planned by Bea Booskos and her elves. New location this year! 310 Lakeside on Lake Eola. The party is just 4 weeks away and we need to get the numbers to the restaurant ASAP, so please send email RSVPs to me: RRReliv@aol.com and checks to CFPD at our PO Box.

For the next few months, we will have **Membership Meetings** just once a month. The location will continue to be Denny's on South Semoran. In addition to one regular meeting, we will be having a **Fun Night Out** social gathering every month. Please send your suggestions for Fun Night Out to Bea or me. Our last one was in Sanford for the *Alive After 5...* despite the early thunderstorm that wrecked the street party; we had a great time at The Willow Tree and Jam Night at The Alley - A Blues Bar.

Possible new meeting location: We are talking to the folks at 310 Lakeside as a new location for our **Membership Meetings**. The location is more central, the food is much better than Denny's, they have a full selection of adult beverages, and they do not have nearly as many gun-fights as Denny's.

Bonaire here we come! Looking forward to the Bonaire trip later this month. They got hit a glancing blow by Hurricane Omar but apparently he did not do much damage. Its gonna to be fun!

Progressive 50/50... The pot is well over \$500. At our meeting on November 13th, we will announce an exciting new component to the game that will add a 2nd way to win half the pot.

Board meetings. Just a reminder that all club members are welcome to attend board meetings. Next Board Meeting will be held on Nov. 13th, at 6:45pm, immediately before the **Membership Meeting**.

SEE YOU SOON!

Florida Costal Cleanup, October 25th

It looked like rain early Saturday morning when The CFPD Green Team gathered at Lake Ivanhoe waiting for the City of Orlando clean-up organizers to arrive. Volunteers from Coca-Cola, Disney, and ECO-Action wandered around the parking lot of the lake looking hungry until finally a truck marked with the City of Orlando logo on it pulled in and started setting up for check-in. They had granola bars, bananas, peanut butter crackers and water for us along with a lot of gloves, trash bags, and those long sticks with the pinchers on one end that you see advertised on TV.

After we grabbed a few granola bars and signed in, we followed our captain, Frank, from ECO-Action over to Lake Conrad. Our instructions were to clean up the trash under the over-pass and keep tallies on a sheet of paper they gave us as to what we were picking up. We divided up into teams and started picking up trash, and there was plenty of it.

Randy Bowman found a tetherball and a football mouth guard. Lee found a lot of balls lost from dogs playing in the lake. I found a lot of shoes, old t-shirts, and a life preserver. We all found a lot of food wrappers, cans, bottles, plastic utensils, and everything else you can imagine. It was a very dirty job, but The Green Team served their community and hopefully saved a few lake critters by cleaning up a small portion of Lake Conrad.

The winners of the Lake Clean-up Contest were: Lynette Strong for Funniest Trash and Randy Bowman for most Unusual Trash. Winners received a \$10 gift card from Darden Restaurants.

After the Clean-up, a group of The Green Team went over to American Pie Pizza Parlor in College Park for a well deserved lunch and rest.

Thank you to Lani Berry, Lee Carpenter, Sam Juleff, Jamie Martin, Barbara Bourque and her granddaughter Ashley Kaylan, Randy Bowman, Elliot Hildreth, Bea Booskos, Jim Wagner, Ron Fraser, and Lynette Strong for giving up your Saturday morning and helping your community.
