## Greetings fellow CFP Drs!

Our new year is starting off great! Bea is working hard on the Christmas Party. She is currently negotiating a deal (menu, price, etc.) at a new location in downtown Orlando that will be more centrally located. It will also be a more upscale setting. The cost will be a little higher than in past years but the food will be better and you will not be asked to bring a dessert. The date is December 6<sup>th</sup>. Other details to follow.

Bea is also negotiating with the owners of the same restaurant as a possible new meeting place. Thanks, Bea!

The Progressive 50/50 is now up to \$550 as of our meeting this past Thursday, Sept. 25<sup>th</sup>. We recently deleted 10 cards from the deck so the odds of drawing the Joker have increased quite a bit. The consolation prizes continue.

Lani is doing a great job with the Green Team and we will participate in our first clean-up later this month. Not only will we be doing a great thing for our local waterways, our club will get some excellent exposure. See the calendar.

We have 2 volunteer positions that need to be filled. Dive Committee Chairman and Membership Chairman, Lee is filling in as Dive Chairman but he is our Director at Large and Jamie is filling in as Membership Chair but she is our Secretary, so we need some folks to step up to fill these positions.

CONGRATULATIONS to Andrew Chin! Andrew graduates this week from Full Sail University and is looking forward to beginning his career in computer animation.

See you soon!

Ron Fraser  
President

Bring Your Ideas!

**ANNOUNCING:**

# The Green Team!

Elke Beyer came up with a great idea for CFPD. We are going to have an environmental team that partners with other clubs and organizations to do environmental projects. The environmental flag is on our logo, so we really should be doing something to help our environment and our community as a club.

I volunteered to be the chairman of the new Green Team and have begun to contact different people to volunteer our Green Team to help with lake, river and beach clean-ups.

If you would like to be on the Green Team, or just know of a beach clean-up coming up, or other worthwhile project, please contact me.

I think we can do a lot of good with this and have fun as a group at the same time.
