Greetings fellow CFP Divers!!!

Our new meeting location, 310 Lakeside Restaurant, was a big hit with everyone who attended our most recent meeting, Jan 22nd. A couple of key members were stuck on I-4 and did not make it, so the Bonaire slide show and the 50/50s were postponed to our next meeting (Thursday, Feb 26). The Progressive 50/50 pot remains at \$766.

February Board Meeting will be Wednesday, Feb 11 at Jax 5th Ave Deli & Ale House in Lake Mary (951 Greenwood Blvd)... 6:30pm. As always, all members are welcome and encouraged to attend.

February General Membership Meeting will be Thursday, Feb 26. Social & Dinner hour 6:30 to 7:30, meeting begins at 7:30. This month's programs will be the Bonaire slide show and a special visit from Tad Miller who will share a little information about diving opportunities in Old Providence & Santa Catalina "The Last Natural Refuge in the Caribbean". www.diveoldprovidence.com

In April, we return to two meetings per month. To keep the meetings fun and informative, we need your suggestions and participation.

Dive & Activity Calendar. Lee has volunteered to handle the Dive Chairman duties so we're looking forward to a full calendar for the balance of the year. Send your suggestions to Lee. We will also be covering some of the details of running dive trips at this month's membership meeting. Has anyone been to Utila? Looks pretty good! www.deepblueutila.com Feedback?

"Alive After 5" Street Party in Sanford. The January event was a great success. THANKS to everyone who came and helped out in the booth. Our next appearance will be Thursday, March 12. We now own a commercial quality canopy that we will be using at these types of events to promote diving in general and our club in particular. Bea will be heading up this effort with Barb and Lani in charge of the cocktail recipe. They guarantee that all will love it!

See you soon!

Calling all Brave hearts!

One member dove out of Juniper Dive Center last week in search of Lemon Sharks!

The report was – the waves were at six feet and the water was cold!

Dust off your gear and get on the list for the March 09 shark tooth dive, which will sell out fast. This year we are going back to a morning dive with a next day am shore dive.

Randy Munro is working on a Lobster Dive so look out and plan for it!

We are making our wish list for the year and will have dive planning at the March meeting.

We are taking request for dive coordinator and assistants.

Service your regulators and get ready to dive!

See you soon,
Lee Carpenter
