

Proposed Changes to the CFPD Bylaws

The CFPD board would like to propose the following changes be made to our bylaws. Since the majority of the members voted to meet only once a month, the board would like to make the appropriate change in the bylaws.

Also, since we had our elections for the new board early this year, the board would like to change the time that the new officers take office to January instead of September.

Please review the proposed changes so that all questions can be addressed before voting at the next general meeting.
